# After School

## Enrichment Program

Classes are filled on a first-come, first-serve basis. Frequently there is an overwhelming response to some classes and in the interest of fairness to all who submit their applications whether via backpack/teacher or hand delivery/parent, a lottery is held if necessary. If a class is filled or cancelled, you will be contacted by the After School Registrar and be reimbursed.

### Notification:

Please inform your child's classroom teachers in writing of which Enrichment class(es) they are taking and advise the classroom teachers of ALL schedule changes.

### Pick-up:

Pick up is in the gym. Please enter from 1st Street. Please exit the building quickly, After School is in session and we need to ensure every child's safety. Please do not socialize or linger in the gym.

### Late Fee Policy:

Pick up is at 4:40pm SHARP. Anyone more than 15 minutes late will be charged \$25.00. Habitual lateness will result in expulsion. Please call the After School Phone if you are late or if there is any change with your pick up plan.

### Student Conduct:

The Enrichment Program does not have the same staff resources that are available during the school day. Unfortunately, we may not be able to adequately serve children who repeatedly require one-to-one supervision. Repeated unsafe behavior may result in a student's dismissal from the Enrichment Program.

### Drop/Change Policy:

You may change or drop a class during the first week and pro-rated refunds will be issued. After the first week there are no refunds and changes may be made only if space is available.

### Medical/Social Emotional:

Please notify Janine DiLorenzo in writing if your child needs an epi pen or inhaler, or has any special needs of concern.

## FRIDAYS (9 classes)

Oct 13, 20, 27 • Nov 3, 10, 17 • Dec. 1, 8, 15

### Toy Making: Destroy & Construct!

Each week we will begin our class with an examination of an everyday object such as a lamp or cash register that has been discarded. We will take it apart, probe its inner workings, and think about how it is used. Then, we will use its parts and our imaginations to build new robotic inventions with our Master Builder!

Grades K-2/ Tuition \$235/ Monika Wuhrer Founder/ED of Open Source Gallery

### Chess

Here are five reasons your student should be playing this 1,500-year-old game of strategy and logic:

- 1) Improves concentration and memory
- 2) Enhances reading and math skills
- 3) Fosters logic, critical thinking, and creativity
- 4) Encourages and rewards hard work
- 5) Its FUN!!!

If students are interested, we can create a PS 372 Chess team!

## **THURSDAYS (8 Classes)**

**Oct 12, 19, 26 • Nov 2, 9, 30 • Dec 7, 14**

### **Ceramics**

Everyone loves to get dirty and play with clay. In this class children will be introduced to the art of ceramics. They will learn the basic hand-building techniques such as pinching, coiling, and slab construction to create their own works of art. These pieces will then be glazed and fired in a kiln for the children to take home.

Dress for a mess and prepare to have fun!

Grades K-5/ Tuition \$215/ Doreen Baskin

### **Clay Animation and Stop Motion**

Clay Animation, also called Claymation, is an animation technique that uses clay figures and objects to create movement. During this class students will create clay characters, build a backdrop, stage, and scenery that will be brought to life using the magic of Stop Motion Animation. Digital photography and editing will be implemented.

Grades K-5/ Tuition \$255/ Clay World

### **Craft Creators**

Craft Creators is a fun way to spend the afternoon with friends; creating special and unique craft projects together! Participants will create theme based crafts using a variety of art materials. Craft Creators is great for promoting social skills by forming a creative learning community with peers. These projects will support the development of fine motor skill activities that improve the muscles in the fingers and hands.

Students will be given the opportunity to share their work with friends and family.

Grades PreK-1/ Tuition \$200/ Amy Vagelatos

### **Monkey Do! Yoga**

Monkey Do! Yoga comes to their neighbors at the The Children's School, with a playful active class that not only improves balance, coordination, flexibility, and strength, but also self esteem, focus and positive behavior. After school, let go of all that energy through fun yoga games, poses, and mindfulness practices. Students gain the tools they need to take with them throughout the week to develop happy and healthy lifestyles.

Wear comfortable clothes!

### **Run4Fun**

Run4Fun promotes wellness in youth emotionally, physically, and socially through

running. Run4Fun's curriculum couples life skills while developing an active and

healthy life-style through running. Sessions include dynamic warm ups, age-

appropriate distance runs, running technique, nutritional activities, running games,

team building activities, tag games, relays, and a cool down. Run4Fun will also offer

opportunities to participate in races, including the NYC Half Marathon youth races

through Times Square. Classes will take place both in the school and in the

Stone House Park (weather permitting). Please be sure your child wears appropriate

outside running clothes. A signed waiver to walk to the park is required.
