After School Enrichment Program

Classes are filled on a first - come, first - served basis. If the class is filled or cancelled you will be notified by the AS program and reimbursed.

Please inform your child's teachers about which Enrichment class(s) they are taking and schedule changes and pick up information.

Pick-up:

It is important that you are on time. It is also important that your children leave promptly upon dismissal and that they do not interact with the students in regular After School otherwise this becomes a liability issue and a management quagmire for the After School staff.

Student conduct:

The After School program, including Enrichment classes, do not have the same staff and space resources that are available during the school day and unfortunately may not be able to adequately serve children who repeatedly require one-on-one intervention. Continual inappropriate and/or unsafe behavior will impact the safety of the child and/or his/her peers and may result in a student's removal from Enrichment program and/or the Afterschool program.

After School Contact info:

Classes

All classes start at 3:30 after a snack in the cafeteria.

All classes end at 4:40 (unless otherwise noted).

The Art and Science of Goo

Science experiments introduce many concepts to children. This science based class will be geared toward little children who learn best by doing and seeing. We will measure ingredients to make goo, cause volcanoes to erupt and create lip balm, to name just a few experiments. No toxic ingredients will be handled by the children and any food allergies will be accommodated.

Monday

Grades Pre K- 1 Materials Fee \$10

Maria Giresi Reeves

Book Club

If you enjoy a good book, love to read and want to share your ideas with your friends, come and join the after school book club. As a group you will be able to select the books you want to read and discuss.

Thursday

Grades 3 & 4 Materials Fee \$10

Janet Lipson

limit 8

Ceramics

Everyone loves to get dirty and play with clay. In this class children will be introduced to the art of ceramics. They will learn the basic hand-building techniques such as pinching, coiling, and slab construction to create their own works of art. These pieces will then be glazed and fired in a kiln. Dress for a mess and prepare to have fun.

Tuesdays

Grades K – 5

Materials Fee \$ 15

Doreen Baskin

limit 10

Chess

Stuart Margoilies, PHD says that chess play develops analytic skills, self-control and an increased ability to concentrate. Participants in the chess program will develop higher levels of self esteem as they increase their chess competence. Students are encouraged to participate in a variety of tournaments(optional) throughout the year.

Fridays

Grade 2-5 Materials Fee \$10

Tri State Chess

limit 16

Creative Movement

Creative movement will lead students to creative use of the elements of dance (space, time and energy). Students will experiment and explore through movement using their thoughts and imagination. Through movement students will practice rhythmic skills, making shapes, and exploring patterns and pathways.

Wednesday

Grades K—2

Tressa Beldner

Dreama

"Dreama" gives children a few tools for storytelling, like understanding what a character is and being able to name and express their feelings. In Dreama, kids go on journeys of the imagination: in a rocket to the moon, as forest animals in a snow storm, or fish under the sea. Dreama kids are in a "story" at the end of every class, in a costume of their own design, and by the end of the semester they have become an ensemble of thinkers, writers and performers.

Friday

Grades 3-5 Materials Fee \$10

Claire Beckman

Early Lego

Students will have the opportunity by working together and using their imagination to design three dimensional objects. Using a variety of Lego's shapes, sizes and colors students will explore how the Lego pieces can come together to realize their designs.

Thursday

Grades: K-1 Materials Fee: \$15

Renata Ramos

limit 10

Ensemble playing 1

Have you ever wanted to play in a band with your friends?

This class will focus on giving students the fundamental knowledge they will need in order to work together on a musical project. Topics include working together with basic rhythms, how to listen in a group setting and an introduction to reading music. Students will be given the opportunity to choose an instrument (provided by the class) or bring their own and will work together to decide what piece of music they will tackle. At the end of the semester a basic recording will be provided to the students. Instruments provided for free will be mostly percussion, -shakers and drums etc. If you would like help purchasing a melodic instrument (I recommend melodica) I will be happy to help guide you in your search

Tuesday

Grades 3 - 5

Rich Graiko

Fall Gardening

We will focus on plant parts that we eat. Roots, stems, leaves, fruits, bulbs. We will plant garlic and spring flowering bulbs, some lettuce and taste test some edibles in the garden.

Friday

Grades Pre K - 2

Materials Fee \$10

Solita Stephens

Fencing

The class will include a variety of fencing-related activities including games, conditioning, stretching, footwork, technique, tactics, and bouting. Fencing is great for kids who are bored with or uninterested in team sports.

Wednesdays

Grades 3-5 (must be 7 years old)

Materials Fee \$160

(The Standard Practice 5-piece Foil set with helmet)

Brooklyn Fencing Center

limit 16

First Lego

Beginners : please make sure to indicate either Tuesday, Wednesday or BOTH, on your registration form!

Advanced: Friday ((for those who haven already taken class.)

This class will participate in The Junior First Lego League, a younger version of the Lego Robotic Program. The program features a real-world challenge to be solved by research, critical thinking, construction, teamwork, and imagination.

Tuesday and Wednesday - Beginners

Friday - Advanced

Grades 2-3 Materials Fee \$15

Lori Azzarelo

**This class is limited and selective.*

French Language Class

Using material such as French books and songs, students will learn basic French language.

Through some techniques of theater, this class offers students the opportunity to converse, act and interact. They will learn French language and culture in a fun, active and creative way.

Wednesday

Grades 3-5 Materials Fee \$10

Stephanie Fribourg

limit 10

Games and Plays

Turn an adventure story into a Game...turn a Game into a Play!

Bring your imagination to this theater based workshop led by OBIE Award Winning Actor Jojo Gonzalez.

Be prepared to play games you've never played before and maybe turn them into a One-Act Play.

Mondays

Pre K – 5

Jojo Gonzalez

limit 15

Gymnastics

This class is active, fun, and challenging. Skills include climbing, jumping, flipping and tumbling. During the course the student will learn basic gymnastic skills, gaining strength, balance, and flexibility. Wear comfortable clothes.

Tuesdays

Anthony Maldonado

Grades Pre K-2 3:30 - 4:15

Grades 1-2 4:15 - 5:00

Students in the second class will either do homework, read, or draw (under supervision) while the first class does gymnastics.

Haitian Dance

Students learn steps from the many dances that make up Haitian folklore as we work on choreography. The class will learn to listen to and dance to live drum rhythms that connect to each step danced, learn the meanings of the dances and the roots that they have in Africa. A warm-up and stretch will start off each class, followed by dance instruction. A water bottle is recommended.

Thursday

Grades K-5

Joseph St. Surin, Instructor

Limited to 16 students or depending on the number of registrants we may run it as two classes, in which case the earlier class will dismiss at 4:40. Parents will be notified if there is a split.

International Cooking

We will start with a country or region, find it on the map, and then smell the local spices and cook some local recipes. Stops on our international journey will include Mexico, India, Italy, and the Middle East.

Thursday

Grades 4th & 5th

Materials fee \$10

Jenny Ecclestone

Magic

Become a true magician! Students manage their projects from start to finish, learning magic tricks, juggling, and puppetry. Students are educated about the history of magic as well as science and physics that go into making the trick. Difficulty of tricks and experiments depends on age. At the end of the program students get to show off their skills in a magic show organized for their parents.

Friday

Grades 1 - 5

Materials Fee \$20

Aerofun

Metal Madness

Do you ever wish you could dive into a pile of scrap metal... or at least rummage through it.

Well I have a couple of bins of junk waiting for clever minds and eager builders. In this work shop we will build all sorts of things from imagined creatures to insects to robots and machines

Wednesday

Grades 1 - 5

Materials Fee \$10

Marina Pavlutskaya

Monsters and Aliens

Create your very own 3-d creatures! We will use lots of cool materials, such as clay, felt, cardboard, tubes, metal, and fabric!

This is an Advanced class where we will get our hands dirty building Monsters and Aliens!

Thursday

Grades 3 & 4

Materials Fee \$15

Janet Filemyr

limit 12

Movie Making

VIDEO HOLIDAY GREETINGS CLASS

From storyboard to sound effects - students create, film and edit video short greetings for the holidays (Halloween, Thanksgiving, Christmas, Hannukah, Happy New Year) At the end of the class, students learn how to get their mini masterpieces ready to send to friends and family by email or post on the kids-make-movies youtube channel!

Thursdays

Grades 3-5

Materials Fee \$15

Andrei Kolchanov of Kids Make Movies

limit 10

Music Start

Don't just play Guitar Hero (the video game), play guitar! This class prepares students for guitar, using the patented Music-Start® method and keyboard instrument. It proceeds to real guitar playing creating a foundation for further guitar study. MusicStart Keyboards and guitars will be provided as needed. Both new and repeat students are welcome and will be appropriately challenged.

Tuesdays

Pre K – 2nd

Music Start Staff

*Materials Fee:

Music Start requires that parents either **rent (\$35)** or **purchase (\$70)** their proprietary keyboard instrument. Checks should be written directly to Music Path for the instrument and are due the first class.

Outside the Bach: Movement exploration to a “soundtrack” of live violin music.

Each week, a classical music theme from Bach, Mozart or other composers will be presented for inspiration and use as the sound component of brief movement studies. Improvisation games will generate the movement, and student ideas will contribute to the group work. Some set design, use of props, and sound will be incorporated into our activities.

Check the Early Grade Science webpage on ps372.org for a longer description.

Mondays

Grades 3-5 Materials Fee \$10

Karen Ranney, David Blum

Print, Paint and Draw

Your child will have time to continue to explore freely some general art techniques outside of the school's regular art class. While pace and productivity will be set by the child's own initiative different weeks different techniques will be offered to work with.

Mondays

Grades 2-5 Materials Fee \$15

Christine Staehelin

Sketching and Watercolor Art Journal

Let's take a line for a walk... and a brush for a swim! In each session we will use fun drawing exercises and watercolor techniques, as well as your words and thoughts to create beautiful art pages. Your completed pages will then be sewn into an art journal.

Tuesday

Grades 4 -5, Materials Fee \$15

Theresa Pastoriza

Soft Toys and Figurines

Each girl designs her own company 'logo' and then a series of sewn felt soft toys, along with small hard, sculpted figurines. They finish by designing the packaging and labels for their toy designs.

Tuesdays

Grades 3-5 Girls only. Materials Fee \$15

Curious Jane

Spanish

Que Pasa? Introduction to Spanish language. Students are taught in a bilingual setting. Students learn about the Latino culture.

New vocabulary is introduced in each class. Students learn to greet each other in Spanish. They also learn the different seasons of the year, months, days, colors and much more... As an activity to reinforce learning, we'll be doing some traditional Hispanic cooking : empanadas de carne (meat), guacamole, tacos etc.

Wednesday

Grades 1-5

Materials Fee \$10

Rose Sambola

limit 12

Story Arts

Girls learn about character, setting and plot. They create character trees, draft storyboards, and over the course of the program design and write their own story in a hard-back blank book.

Fridays

Grades 1- 3 Girls only. Materials fee \$15

Curious Jane

Textiles Arts

Come learn all about fibers with Textile Arts Center!. In this class students will explore lap loom weaving, block printing, felting, sewing, embroidery and more. Some projects completed include stuffed animals, bags, jewelry, and other small products.

Wednesdays

Grades 2-5,

Materials fee \$20

Textile Arts Center

Children will be escorted to the Textile Arts Center 505 Carroll St.

Pick up is at 505 Carroll Street.

limit 12

Yoga

Take a deep breath...and let's have some yoga fun. Down Dog. Plank. Triangle. Learn new poses and breathing exercises and work on the poses you already know. Yoga helps foster creativity, cooperation, and confidence in a safe environment where we are perfect just the way we are.

Thursday

Grades K-2

Darlene Vanasco
