To: Rosa Amato, Principal  
Re: NY State Standardized Tests / Spring 2016

Dear Ms. Rosa,

I do not want my child \_\_\_\_\_ (full name) in class  
\_\_\_\_\_ to participate in the New York State standardized English and math testing this  
Spring 2016. I prefer alternative assessments for my child in place of the tests and would like to  
find out more about that process.

Respectfully yours,
