# After School Enrichment Program

Classes are filled on a first-come, first-serve basis. Frequently there is an overwhelming response to some classes and in the interest of fairness to all who submit their applications whether via backpack/teacher or hand delivery/parent, a lottery is held if necessary. If a class is filled or cancelled, you will be contacted by the After School Enrichment Coordinator and payment will be returned.

## Notification:

Please inform your child's classroom teachers in writing of which Enrichment class(es) they are taking and advise the classroom teachers of ALL schedule changes.

## Pick-up:

Pick up is in the gym. Please enter from 1st Street. Be sure to sign your child out. Please exit the building quickly, After School is in session and we need to ensure every child's safety. Please do not socialize or linger in the gym.

## Late Fee Policy:

Pick up is at 4:40pm SHARP. Anyone more than 15 minutes late will be charged \$25.00.

## Student Conduct:

The Enrichment Program does not have the same staff resources that are available during the school day. Repeated unsafe behavior may result in a student's dismissal from the Enrichment Program.
