

Dear Sir or Madam:

On behalf of The Children's School, P.S. 372 Parent Teacher Association, we would like to ask you for a donation for our Spring Gala & Silent Auction, taking place on Friday, April 5, 2019. This major event helps fund the majority of our school's Arts and Science enrichment programs and subsidizes school supplies. It is crucial to our fundraising efforts.

The Children's School was founded in 1992 as a partnership between Community School District 15 and City-Wide Special Education District 75. The Children's School is the only public, full inclusion elementary school in New York City. Special education and general education students learn side by side throughout the school day from pre-kindergarten through fifth grade in every classroom. We also educate students on the autism spectrum in their own classrooms from Kindergarten through Middle School.

The Children's School strives for diversity that mirrors the larger communities including Gowanus, Park Slope, Red Hook, Sunset Park and Boerum Hill, from which it draws its 500+ students. We believe that learning to function in heterogeneous communities is a central goal of schooling and teaches kindness, tolerance and respect for all.

Please support our public school with a tax-deductible donation.

To make a donation, please complete the enclosed form. If you have any questions feel free to contact the Auction Committee at auctiondonation@ps372pta.org. You may also submit donations online at: <https://inclusions.org/2019-auction-donation-form/>

We greatly appreciate your generosity in supporting our unique school!

Sincerely,

**The PTA of P.S. 372
