Dear Supporter,

I am a parent at the P.S. 372 - The Children's School. The school's largest fundraising event is our upcoming Gala and Auction on April 5th. This major event helps fund the school's arts and science programs and subsidizes school supplies as well as new sports and occupational therapy equipment. I hope you will consider becoming an event sponsor to support this crucial fundraising event.

I realize that you must receive many requests to support local schools. One thing that distinguishes The Children's School is that it is the **only** public, full inclusion elementary school in New York City. Special education and general education students learn side by side throughout the school day from pre- kindergarten through fifth grade in every classroom. The school also educates students on the autism spectrum in their own classrooms from Kindergarten through Middle School. In addition, the Children's School strives for diversity that mirrors the larger communities from which it draws its more than 500 students, including Cobble Hill, Gowanus, Park Slope, Carroll Gardens, Red Hook, Windsor Terrace, Kensington, Sunset Park and Boerum Hill. We believe that learning to function in heterogeneous communities is a central goal of schooling and teaches kindness, tolerance and respect for all.

I am reaching out to you as part of the school's effort to insure that it can continue to offer the highest quality education to its inclusive and diverse community of children.

I hope you will consider supporting our school at one of the listed sponsorship levels. Sponsorship is a great opportunity to spread the word about your business and its support for our school with families in your neighborhood and the other Brooklyn neighborhoods that the school serves.

Please see the attached form for Sponsor levels and associated benefits. Please reach out to me with any questions. Thank you for your consideration!

Best regards,

The Auction Committee
