

2024-2025 Session II Registration Guide

We appreciate your flexibility as we make our transition to Sawyer for registration. If you experience any issues, please reach out Julia at afterschool@ps372pta.org

The major difference in registration is that you MUST register for after school and enrichments separately. For example, if you are registering your first grader for after school on Monday, Wednesday and Friday and want them to do Gymnastics on Mondays, Science on Wednesdays, and regular after school on Friday you will FIRST register for GRADE-LEVEL AFTER SCHOOL on Monday, Wednesday and Friday, then separately select Monday 1st&2nd Grade Gymnastics and Wednesday 1st&2nd Grade Science. At check out you should see FIVE separate items in your cart, Monday 1st Grade After School, Wednesday 1st Grade After School, Friday 1st Grade After School, Monday 1st/2nd Gymnastics, and Wednesday 1st/2nd Gymnastics.

SIX STEPS TO REGISTRATION SUCCESS

Step 1 – Visit inclusions.org and select “Register Now” under the after-school tab
